

As a global player, **Messer** offers its sustainable products and services in Europe, Asia, and the Americas.

For our European team we are looking to immediately fill the position as

Manager (m/f/non-binary) IT Security

Location: greater Frankfurt or Krefeld area, Germany / hybrid

Reference Number: E-26/2024

What we offer:

- As Manager IT Security, you will make a valuable contribution to an international, successful, and financially stable company
- A dynamic, supportive and inclusive work culture that values innovation and where your dedication is held in high esteem
- Unique opportunity for professional growth and development due to engaging and challenging tasks with the opportunity to take on responsibility
- Enhancing your skills through tailored training programs
- A competitive salary and a comprehensive benefits package
- Hybrid work model
- 30 days annual leave

Your responsibilities:

- Advising Group companies and departments on information security
- Carrying out risk and vulnerability analyses, including the derivation of appropriate recommendations for action
- Conception and documentation of security concepts as well as group-wide specifications and guidelines, including the implementation of auditing and training measures
- Support for incident management and reporting

Your profile:

- Successfully completed training in an IT profession or university degree in this field as well as at least two years of professional experience in a comparable position
- Relevant knowledge of IT security and standards such as GDPR, ISO27001, IT Basic Protection, ITIL
- In-depth knowledge of information security management systems as well as knowledge of management process design and process modelling
- Knowledge of relevant legislation, including data protection laws
- Further training and certifications in this area desirable
- Fluent English (C1 level), another language a plus
- Strong communication skills and an independent and structured way of working

Does this describe you, and are you interested in this position?

We look forward to receiving your application via e-mail in English (in PDF format, max. 2 MB) at
